

# FULFILLMENT

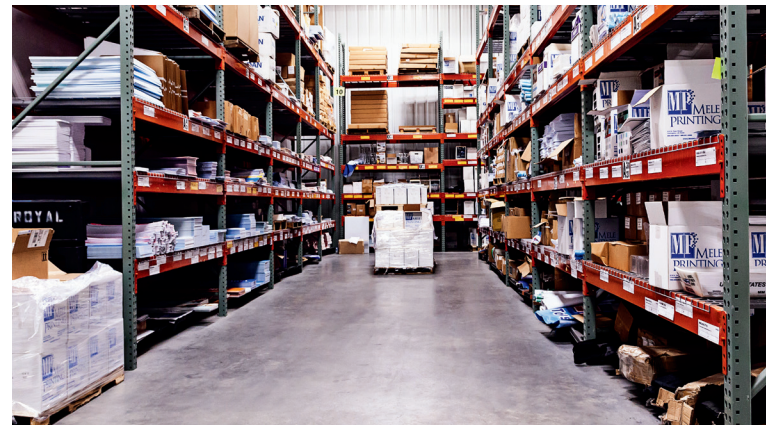

Mele Printing's fulfillment service can take the headache out of your busy schedule. From ordering to shipping or delivery, we work for you.

**ACCESS** - Using a web portal, we provide 24/7 access to your sales team, locations, and other applicable users.

**CONTROL** - Products can be categorized into access levels, so an individual user only sees the product that is appropriate to their position, location, etc.

**EFFICIENCY** - Make your data work for you. We print it. We store it. We ship it. And we capture all of the data during the process, so you can use it to maximize your printing efficiency.

In your customized website, you are able to view your items, order and track your shipments. We manage your inventory. You will be able to order from anywhere at anytime, run reports and track your shipment. Mele maintains alliances with major shipping vendors who can deliver your jobs to anywhere in the world at competitive prices.

# PROMOTIONAL PRODUCTS

At Mele Printing, we don't do boring swag. We arm you with branded gear that turns heads, sparks conversations, and keeps your name in their face. From keychains and pens to koozies and shades—we're talking promo products with punch. These aren't just freebies—they're marketing weapons built to boost visibility, drive engagement, and lock in loyalty.

## WE VALUE...

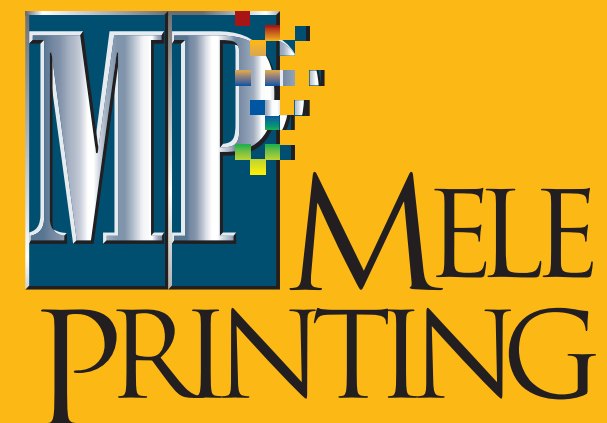

**Integrity:** Believing that all that we do is seen by and scrutinized by a sovereign God we purpose to honor Him in all that we do. It is upon this foundation that trust is established between us, our clients, and our vendors.

**People:** From our customers to our employees we value people. We exist to serve people and their needs while endeavoring to provide a superior working environment to our team members. Our goal is to see each team member develop into his or her fullest potential.

**Service:** Serving others is why we exist. Our goal is to provide a superior level of service that will consistently exceed our customers' expectations.

**Excellence:** In all that we do we desire to be the best that we can be, to provide the highest quality product possible, and to provide accuracy in attention to detail on every project.
